Bynum Investigates Combining Counties

For District Lead

Eagles On Tight Wire

The Canyon Eagles' tie with the Perryton Rangers last week left the Eagles with but a hair's breadth lead over the Dumas Demons in the district standings.

The tie also focused interest on the Eagles ball game this week with the Muleshoe Mules.

Last week the Mules upset the Levelland Lobos, who up until that time had been considered serious title contenders. In their game with the Lobos, the Eagles won only after a pair of touchdowns in the waning minutes of play.

To capture an undisputed 1-AAA crown the Eagles must defeat the Mules as well as the Tulia Hornets next week. Even though the Eagles salvaged a tie with the Rangers, several Canyon gridders were injured in that tilt.

"We took a bad physical beating last Friday," head Eagle mentor Ron Mills said. "In fact it is the first time this year that we have really taken such a bad beating."

It is not known whether starting offensive and defensive end Fred Grona will be a starter in the Friday night clash. Grona suffered a pulled back muscle and may see only limited action.

Halfback Ric Edmondson and linebacker Van James were also injured against the Rangers, and neither may be at full speed by game time. "Yes, we were crippled up pretty badly. We could have four or five or possibly even six starters out of the lineup Friday," Mills mused.

The Mules began the season, using basically a wishbone formation in their offense, but in recent weeks have changed to the wing-T, similar to the set used by Canyon.

Ball control is the name of the game for the Mules according to Mills. "They do a good job of controlling the ball. They controlled it against Levelland and Dumas."

Mills also described the Muleshoe tackles and linebackers as "some of the best

Randall-Potter Counties Viewed

BY MARGO WILLIAMS

Rep. Ben Bynum said Monday he is investigating the possibility of combining Potter and Randall counties to form one governmental entity.

"I do not know what I will do, because I do not know what I can do legally," Bynum told a Canyon News reporter.

"But I do think the two counties should be combined, and we should call it Palo Duro County," he continued.

The state legislator explained he was not certain of the procedure to change county lines or to combine counties, but during the next month he plans an intensive investigation into the matter.

The combined-county idea was brought up at a recent meeting of mobile home owners in the River Road area. Bynum told that group taxation varied between the two counties, thus posing problems for mobile home owners.

"The reason for the differences between the two counties, is that it is two government bodies," he said.

Bynum stressed the two counties cause duplication of effort and it costs taxpayers a great deal more money than if the two enities were combined.

"There is no real reason to maintain separate counties," Bynum declared.

He suggested a new courthouse could be built in the southern part of the city of Amarillo thus making it convenient to both counties.

"Ninety percent of the people in Potter County live in 15 percent of the area, and 85 percent of Randall County live within the Amarillo city limits," he noted.

"It costs a lot of money and heartache to people to have two counties."

But he stressed that he would recommend the combination be a long-term project.

"We should do it over a 5-year period, and form an organization for consolidation. We should probably

1971 Gold Star Boy, Girl Named

Randall County's Gold Star Boy and Girl for 1971 are Randy Dugan and Miss Millie Hales.

The two were recognized at the annual county 4-H Awards Banquet and Program Friday evening in the Canyon Community Center.

A total of 33 awards were presented at the banquet.

The Gold Star winners are chosen on the basis of the club member's leadership, citizenship, and over-all 4-H Club achievement. Randall County's choices will be honored with the winners from 21 other counties at the District I 4-H Gold Star Banquet at 6 p.m. Nov. 20 in the Quality Motel in Amarillo.

Other guests at the banquet will be the parents of the winners, County Agent and Mrs. John Brazzil, and Mr. and Mrs. Winston Hall. Mrs. Hall is county home demonstration agent.

County Achievement Awards for 1971 were also presented to Martha Johnson, achievement; Johnny Crowley and Greg Hinders agricultural; Jill Leavitt,

Horton Trial Set Nov. 29

The trial of Leon C. Horton, a Dallas attorney charged with theft by false pretext, will begin November 29 in 181st District Court.

Horton will face charges involving the alleged forgery of stock transfers and the power of attorney of Robert L. Roberts. The case involves stock of the former Bank of Services and Trust in Dallas.

The name of the Bank of Services and Trust has been changed to Dallas International Bank and is now headed by Bill Adams, former Canyon banker.

Horton was originally to be tried Nov. 29 in connection with a case involving the stock of General Tire and Rubber Company of Akron, Ohio, belonging to Miss Jesse Forsythe but the Texas case was substituted for reasons of convenience, according to Harris Hampton, assistant district attorney.

Hampton said it would be easier to get the stock transfer agent here to testify from Dallas than from the company in Ohio. The change in cases was agreed to by Horton's attorney, Joe Fleming

WTSU Asks For Clinic

West Texas State University has made a request to the Coordinating Board of Texas Colleges and Universities for a large animal diagnostic clinic to be located on the WTSU campus to serve the Panhandle area.

Dr. Kenneth M. Laycock, vice-president for planning and development and Dr. Charles Smallwood, head of the School of Agriculture, met with the program committee of the coordinating board last week.

The request will be considered by the entire membership of the board at their meeting Nov. 19 on the campus of Southwest Texas State at San Marcos.

Laycock said that there is a diagnostic clinic at A&M but the time involved in sending material to A&M and receiving it at WTSU could be a problem for the area. There is a definite need for such a clinic in the area, Laycock said.

The request presented to the board states that in view of the importance of the livestock industry in the Panhandle of Texas, WTSU and industry in the area strongly recommend that a veterinary service, research and educational program for the Panhandle region be approved to include:

City-School Tax Office Gives Report

Around $850,000 has been collected thus far by the city-school tax assessor-collector for October payment.

Conway Kuykendall, tax assessor-collector for the Canyon school and city, said his figures, which do not reflect all money received to date, show around $650,000 received in school taxes and about $200,000 for city.

The school tax roll for 1971 is $1,004,881.52. City's tax roll is $287,016.81.

The school's collection is around 65 per cent, and the city's hits near 70 per cent.

Kuykendall said he has received more checks, but has not recorded all the monies received.

"We still have quite a bit to record, but perhaps by next week we will have a better idea," he said Tuesday.

He commented last year the school received around the same amount during October, however, figures at city hall show the city collected only around $55,000 during October, 1970.

This is the first year the city and school tax offices have been combined, and this is also the first time the city has offered a discount for October.

In the past the school has offered a three per cent discount in October, two per cent in November and one per cent in December. This year both agencies only offered a three per cent discount for October payment.

Park Drawings Shown

Preliminary drawings for a second city park reached the city manager's office this week.

The park, scheduled to take around five years to complete, features three baseball parks, three tennis courts, seven regulation handball courts, a basketball court, a volleyball court and 34 picnic areas.

Other features will include four playgrounds, two for pre-school age children and two for grade school youngsters; three restroom facilities; one open air pavilion building; nature trails and a mile-long bike trail.

George Loudder, city manager, said a football field will be arranged within the baseball outfield to use the same lighting.

Estimated costs are not known, but Loudder did say he expects the sprinkler system to run around $125,000 to $150,000 and the lighting to hit between $50,000 and $100,000.

Landscaping, road and some structural costs have not been determined.

Matching funds for the park will be sought from the Texas Parks and Wildlife Department, according to Loudder.

The three baseball fields will consist of a Babe Ruth-size park 370 ft. from the homeplate, a field measuring 280 feet, and a smaller field, 250 ft.

Each ballfield will have bleachers and the fences around the outfields will be moveable so the ballfield sizes can be changed.

A girls softball field is already located in the park area, and construction of a pressbox and retaining wall will be part of the program.

Some 282 parking spaces will be provided in the proposed park, and a lagoon with walking bridges over it will be built.

The handball courts will be connected to the three tennis courts, and a storage building will also house a concession stand, restroom and office space for a summer youth director.

The open-air-pavilion will be ideal for plays in the summer and family reunions, Loudder expressed. He also said the pavilion has been designed to be the focal point for the annual Canyon Days Celebration and the July 4th activities.

More than 500 trees will be planted throughout the park consisting of evergreens, scrubs, climbers, shades and ornamentals. Loudder noted trees will be used to separate the waste water treatment facility in the park area.

Canyon presently has only one city park, which is Conner Park located directly behind the Rex Reeves Elementary School. The proposed park will be located in

Telephone Directory Due Nov. 18

Delivery of the new Canyon-Amarillo telephone directory will begin November 18.

Mike Patrick, manager for Southwestern Bell, said that approximately 109,200 directories will be distributed to customers in Canyon and Amarillo.

The new directory includes a total of 191 pages of alphabetical listings, an increase of six pages over the 1970 directory.

Cleta and Umbarger listings also are included in the book.

Cover picture of the new directory will be the Amarillo Air Terminal building.

Stewart Tapped For Chief's Job

Lt. Alan R. Stewart, 26, of the Canyon police force was promoted to police chief Tuesday night at a called closed meeting of the City Commission.

Stewart, acting police chief since Calvin Costley resigned last month, was selected by city Manager George Loudder and approved unanimously by the commissioners.

The newly named chief joined the Canyon department in May, 1968, and gained the rank of sergeant before accepting a position with the Albuquerque, N.M. police force. In May, 1970 he returned to Canyon as lieutenant.

We believe he is the best man for the job," Loudder said following the hour-long executive session Tuesday afternoon. "And I am looking forward to working with Al Stewart in the future."

Stewart was born in Sidney, Neb. and graduated from high school in Albuquerque. He attended University of New Mexico and spent three years in the Army before moving to Canyon.

He is near graduation from Amarillo College with a degree in police science, and he has a total of 1600 hours in actual police training school. The chief was valedictorian of his graduating class from the Albuquerque police academy.

Stewart and his wife Karen have two children, Ryan, 2 and Jeanine, a year old in December.

Good Eatin' Sunday

Tons of sausage, sauerkraut, hard work, and hungry people will go together Sunday to make up the 19th annual Umbarger Sausage Festival.

Serving hours will be from 11 a.m. to 4 p.m. in St. Mary's Parish Hall in Umbarger. Tickets are $2 for adults and $1 for children.

Preparation of the sausage began today. From 2,000 to 2,500 pounds of sausage will be used, according to Ed Wieck, depending on the yield of the pork.

The pork halves are ground, seasoned, and "tasted quite a few times," Wieck said. The sausage is steam-cooked Sunday. Approximately 30 to 40 people working from 8 a.m. to 4 p.m. are required to prepare the sausage.

The sauerkraut is made from 4,000 pounds of cabbage and 25 workers are needed to prepare it. Also on the menu will be green beans, mashed potatoes, brown gravy, applesauce, relish dishes, cherry pie and homemade bread.

A bazaar where handmade needlework items are sold and a country store with bread and other food items will also be part of the festival.

"We use everyone in the community at least once and some three or four times," said Wieck in explaining the work that goes into the festival. "It has been a real chore this time because there are so many people harvesting now," he said.

"We have 50-60 families in

Umbarger Sausage Festival will feature hand made crafts by women of the German community especially for the annual feast. Mrs. W. P. Janssen and Mrs. J.G. Batenhorst display several of the crafts which will be on sale at the bazaar Nov. 14 at St. Mary's Parish Hall in Umbarger.

No Vote In Umbarger Precinct

Precinct three cannot hold a local option election for another 18 months, according to the attorney general's report presented Monday to the Randall County Commissioners Court.

District Attorney George Dowlen presented the report to the court. A new law passed by the 62nd legislature prohibits a local option election in a political subdivision that has not been in existence for at least 18 months.

Several Umbarger residents asked the court in September to call the election.

In other action, the court approved the installation of a 720 series Xerox copier for the district clerk's office. The court asked County Clerk LeRoy Hutton to inves-

Foundation Head Visits Here Tuesday

Dr. Warren Freeman, chairman of the Westbrook Educational Foundation in Westbrook, Conn., will meet with Canyon High School band parents and students Tuesday.

The Westbrook Educational Foundation is the agency that issued the Eagle band an invitation to the international music festival in Vienna, Austria next summer.

Freeman will talk with band parents and students during the day Tuesday explaining the proposed trip and various arrangements scheduled during the three week tour.

A schedule of the meetings will be issued by band director J. W. King later this week.

FROM THE CANYON RIM

by Troy Martin

In effect State Rep. Ben Bynum this week announced that he would never be seeking higher state office.

Ben didn't say so in so many words but when he announced that he is looking for means for combining Potter and Randall Counties that's about what it came to.

The people of Randall County want no part of Potter and there are several reasons. Potter County has some problems that Randall County folks just don't want to share with them not the least being a much higher crime rate in Potter.

Randall County has a rural flavor in spite of the fact that urban South Amarillo makes up the bulk of the population.

Bynum says operation of the two counties as one unit would be cheaper to the taxpayer. I doubt this. At least Potter presently is not being operated as economically as Randall.

I can't see how establishment of a super county would help matters any. If a super Palo Duro County would make things better for the taxpayer then why not a Panhandle County with the county seat in Gruver or Stinnett so the entire area could get the benefit of the savings.

Counties were established to bring government closer to the governed. Apparently Mr. Bynum is against this great principal which is so close to the hearts of the people of this area.

Herein lies the danger to Mr. Bynum's political career if he pursues this intemperate undertaking. I think he can count on the wrath of Randall County--which must form a good part of the base for any future political aspiration on his part.

In it he will incur the suspicion of all the other counties of the Panhandle and I believe of the entire state. Small counties especially will view with a jaundiced eye any exponent of a super county system.

I say this because any legislation which would permit the establishment of a super Palo Duro County undoubtedly would be applicable to the whole state.

Then what could keep Lubbock, Harris, Dallas and Bexar Counties from devouring their small neighbors?

Bynum's faculty reasoning could be applied to state government as well as county government. If the state is to be made up of super counties then why not divide the country into super states?

Following his formula we could abolish Texas, Oklahoma, New Mexico and Kansas to form a super state with the seat of government being in Tucumcari.

I doubt that Bynum could ever get a super county bill through the legislature. If by some fluke it were passed, no governor in his right mind would ever sign it.

* * *

Randall County Criminal District Attorney George Dowlen says that before legislation permitting combining of two counties could even be considered by the legislature a constitutional amendment would be required.

There presently is no provision in the constitution for combining counties.

He said county boundaries may be changed but this requires a vote of two thirds of the registered voters in the counties involved.

I hope Ben will reconsider his position on this matter and concentrate on representing the 67th Legislative District which lies in POTTER County.

I believe we can struggle along nicely in Randall County without him in both the areas of county government and voter registration.

Letter To The Editor

Even the friendliest of neighbors will be resentful and angry if the dog next door wanders unchecked all over their lawn and soils their yard. A dog isn't born with yard manners and probably has no idea the neighbors will object to his activities. Unfortunately, dogs are all too frequently a source of neighborhood annoyances.

The job of the Animal Warden in Canyon is to pick up these stray dogs and impound them so the owner will be notified that his dog was causing annoyances or just running loose. Naturally the city law states that all dogs must be tagged and kept penned up.

Unfortunately, dogs do get out and it is the job of the Animal Warden to catch these dogs. If the dogs cannot be caught, they are shot with a tranquilizer. This is where my story begins.

On November 5, 1971, my wife and I had to go out of town for the weekend. I had left my next door neighbor in charge of taking care of my dog, plus had taken extensive pains to double check the fence so the dog would not get out.

The dog did get out and was chased several blocks by the Animal Warden after a complaint was made about the dog soiling someone's front yard.

The dog was a full-blood Australian Shepherd; very fast, very smart, and very valuable. In order for the Animal Warden to do his job, he had to shoot the dog with a tranquilizer. The sad thing is that the tranquilizer was misused and was too strong for the dog. The dog was killed!!!

Was it an act of negligence on the part of the Animal Warden since he had used a tranquilizer that was too strong, or was he doing his job to shoot and kill the dog?

May I say that I had received no warning that my dog was causing problems and that he was wearing his collar and tags. It was my understanding that this was not the first time something like this has happened. Are the citizens of Canyon to be left with the horrible thought that if their pet is caught running loose it may very easily be killed by the Animal Warden? I feel that there should be some form of payment set up by the city to those people who lose their pets by an act of negligence by the Canyon Animal Warden.

Band Parents Sponsor Tasting Bee Saturday

Barbecued pork chops, marinated beef, hot cranberry punch, and sour cream cake are among the dishes to be available for sampling at the tasting bee planned by the Canyon Band Parents from 2 to 4 p.m. Saturday in the Federated Women's Club Building in Amarillo.

Recipes for all the dishes to be offered are taken from the Canyon Band Parents Cookbook, to be sold at the bee.

A silent auction of antiques and gift items will be held during the afternoon, and hand-made crafts will also be sold.

The auction offerings will include a large chest from Taiwan, Chinese vases, Dresden music boxes, and glassware, among other things.

Included in the crafts will be knitware and crocheted jewelry.

Members of the Canyon High School Band will assist in serving and will provide piano music during the serving hours, according to Mrs. Roy Cates, general chairman for the tea.

Mrs. Roy McCarter is in charge of arrangement for the food preparation and Mrs. Ada Crager, of the tables.

The silent auction is being arranged by Mrs. Margaret Reed and Mrs. Gary Garner.

Proceeds from the tea will go into the band's "Vienna '72" fund.

Our World

BY ANN BROWN

By a majority of 3 votes (186-183) Congress has approved the comprehensive Child Development Program designed to substitute the government for the home, and bureaucratic "experts" for parents. The excuse for this socialistic scheme is that the family has failed.

Mothers having to work, and fathers having to moonlight to pay the crushing tax burden, and cope with spiraling inflation caused by government spending has indeed demoralized family life. And "welfare" has undermined thousands of homes.

Instead of attempting to remove the cause of family deterioration, the government offers a cure designed to increase the intensity and scope of the disease.

Many of our schools teach — and our courts condone — impudence and rebellion under the guise of free speech. "Parents are old fogies; churches are not relevant; and neither is hep to the new morality."

Congress taxes parents to finance organizations which teach children to rebel against their parents.

Now that these seeds of rebellion and disobedience are producing such a frightful crop of crime and destruction, the government uses this conflict to support the contention that parents are incompetent to rear their own children.

Statistics offer ample proof that the best institution is a poor substitute for the home.

Oh, but this new program is purely voluntary. No one will be compelled to participate. (We will only be compelled to pay for it.)

Public schools have not always been mandatory either. Time was when parents could send their children to public school, private school, or no school. That day of freedom is gone. And where is the Utopia that was supposed to result from compulsory education?

Trotsky said "You cannot abolish the family, you have to replace it." Our President will either veto this monstrosity or he will be responsible for allowing another communist directive to accelerate the decline of America.

But can we expect President Nixon to veto this insidious program? In 1969 he recommended to Congress that the government become involved in developing children during the first five years of life.

What educational values can government possibly give to babies except to condition them to be away from their mothers, and to depend on the State for guidance and security?

The first criterion for maturity is responsible independence. Instead of fostering the traditional American spirit of independence, our government seems determined to destroy it.

The socializers have encountered a little difficulty with the guaranteed income (another name for communism), which would destroy the initiative of rich and poor alike. But children brought up in government nurseries — away from the pernicious influence of old-fashioned parents — are not likely to question government directives.

If our freedom and families are saved, it will not be by the government but in spite of it. Totalitarian regimes always begin by gaining control of the youth.

Government equalizers begin by sharing mutual wealth, but they end with nothing but mutual poverty to share. Cuba is a classic example.

Only free enterprise encourages production, and only production creates wealth, The family is our last bastion of free enterprise. Must we finance its destruction?

Program Set For Wednesday

A program of chamber music will be presented in Room 201 of the WTSU Fine Arts Building at 4 p.m. Wednesday.

Performers will include Martha Davis, flute; Joy McCathern, oboe; Judy Voelkel, clarinet; David Smith, bassoon; Michael Collinsworth and Randy Bloodworth, horns; David Groves and Dick Clardy, trumpets; Steve Haddad, euphonium; Sheryl Anderson Su Chung Wang, and Janna Mills, piano; Lucy White, violin; Janette Bruza, cello, and Kim Sharp and Frank Davis, percussion.

On the program are "Canzona per sonare No. 3" by Gabrieli, "Trio" (K.254) by Mozart, "Quintet, Opus 71" by Beethoven, a King arrangement of "Divertimento No. 1" (K.439B) by Mozart, "Cello Sonata in B-flat" by Vivaldi, a Kessler arrangement of "The Ballet of the Chickens in Their Shells" by Moussorgsky.

Others presentations will be "Two Short Pieces for Brass" by Bright, "Three Shanties" by Arnold, "Trio, Opus 35" by Turina, and "Octet for Winds and Percussion" by White.

News Briefs

Mr. and Mrs. Charles Triplett, Larry, and Mike of Hale Center visited with Triplett's parents, Mr. and Mrs. A.L. Triplett Friday and Saturday. Other guests were Mr. and Mrs. Bill Triplett of Canyon.

Competition Postponed

The Sixth Annual Scabbard and Blade Drill Competition originally scheduled by the WTSU Military Science Department for Saturday morning has been postponed until Feb. 12, according to an announcement by Maj. James I. Lundy, assistant professor.

Coach Phil Ehly received the Teacher of the Month Award at Canyon High School during the pep rally Friday afternoon. Making the presentation was Glenda Holladay.

10 Initiated Into Beta Beta Beta

Ten new members will be initiated into the Delta Xi Chapter of Beta Beta Beta at a meeting to be held at 6 p.m. Friday in room 262 of the Science Building at West Texas State University.

A banquet honoring the new members will follow the meeting at 7 p.m. in the East Dining Hall. Dr. Robert Burton, head of the WTSU geology department, will be the after-dinner speaker.

The winner of the $100. Beta Beta Beta scholarship will also be announced at the banquet, according to Dr. Charles Wright, chapter counselor.

New members are Gary L. Anderson, Borger senior; Susan C. Browning, Bushland senior; Cynthia L. Carlson, Borger junior; Jon T. Maxwell, Turkey senior; Stephen L. Stephenson, Groom junior; Gregory Tung, Canyon junior; Harry F. West, Pampa senior and Roddy L. Wilson, Turkey junior.

Fraternity Offers American Concert

An American Composers' Concert will be offered by Phi Mu Alpha Sinfonia at 3 p.m. Sunday in the Fine Arts Theatre at West Texas State University.

The fraternity's Glee Club, directed by Dr. George Umberson, head of the WTSU music department, is to sing "Tarantella" "The Pasture," and "The God Who Gave Us Life" from "The Testament of Freedom" by Randall Thompson, "Black is the Color of My True Love's Hair," by Stuart Churchill, "Sam Was A Man" by Vincent Persichetti, and "Winter Song" by Frederick Bullard to conclude the program.

Earlier in the afternoon, Donald Baird will perform "Sonata for Euphonium and Piano" by Richard A. Monaco, bass-baritone Jerry Doan will sing "My General" from "Trilogy for Three Americans" by B. F. Salicco; David Boothe is to present the "Prelude, Menuet, and Fugue" for piano by Evan Tonsing, and David Ritter, trumpet, and Cecil Lotief, piano, will play "Briskly" from "Concerto" by Wayne Bohrnstedt.

Or-how to get this dishwasher FREE!

Put clean electric heating in your single family residence and we'll give you an electric dishwasher to clean your dishes. You may choose either a built-in model or the convertible in your choice of colors — Dark Copper, Avocado, Harvest Gold, or White. We'll deliver it to your door and you take care of the installation as you see fit.

To qualify for this "most wanted" appliance, the dishwasher, you need only be a customer of Southwestern Public Service Company and put permanently installed, whole-house electric heating in your present or new home with installation beginning not later than December 1, 1971, when the offer expires.

Call us this week for complete information on the desirability of comfort electric heating. Don't miss out on the opportunity to receive an electric dishwasher free of extra cost!

Enjoy clean living in the electric climate.

Long-Time Canyon Resident Dies In Wichita Falls

Henry Scott Sudderth, a Canyon resident for 16 years, died Oct. 15 in a nursing home in Wichita Falls.

Mr. Sudderth and his family lived at 1619 Second Ave. in Canyon from 1944 until moving to Wichita Falls in 1960. He owned and operated a feed and produce store on the south side of the downtown square.

Mr. Sudderth was a retired farmer when he moved to Canyon. He was born in Leonard April 10, 1891. He married Beatrice Hancock Oct. 20, 1915 in Frederick, Okla., and they lived there for many years.

Services were held in the Hampton Vaughan Chapel in Wichita Falls with Rev. Paul E. Hancock of Clarendon officiating. Burial followed in Memorial Cemetery at Frederick, Okla.

Survivors include his wife of Wichita Falls; two daughters Mrs. Winnie Maddox and Miss Joy Sudderth of Wichita Falls; one granddaughter, Pam Maddox, of Wichita Falls; three sisters, Mrs. Dee Parks, Mrs. Ola Roberts and Mrs. Willa Middlebrooks, all of Leonard; and three brothers, Troy, J. T. and Robert, also of Leonard.

Diet Foods Sampled

"Creating in the Kitchen and Diet Foods" was the program presented to Xi Kappa Zeta Chapter of Beta Sigma Phi Nov. 2 by the hostesses Miss Virginia Rossiter, Miss Betty Sue Patterson, and Mrs. Herbert Stroud.

A tasting tea gave members a chance to sample foods prepared by the three.

The group is collecting favorite recipes from its members to make into a cookbook.

The chapter is planning a Christmas auction at the Girl Scout House on Nov. 30 and is preparing a Thanksgiving basket for one of Canyon's less fortunate families.

The chapter's Homecoming bake sale netted about $100, according to an announcement made at the meeting.

Entries in the Little Miss Canyon pageant to be held at 7:30 p.m. Saturday in the Canyon Junior High School Auditorium now total 54, said Mrs. Robert Brotherton. Earnings from the pageant will be used to help pay for two rooms of furniture for the Girl Scout House.

Mrs. Brotherton will present a program on "Box Purse Making" at 8 p.m. Tuesday at the Scout House. Mrs. Frank Adams is to be the hostess.

Lumry Joins Honor Unit

William R. Lumry, the son of Mr. and Mrs. Raymond H. Lumry, has been elected to Tau Beta Pi, national engineering honor society, according to an announcement by the Texas Delta Chapter at Texas A&M University.

Membership is awarded on the basis of scholarship and character.

Lumry is a student in mechanical engineering and is in his junior year. He is a 1969 graduate of Canyon High School.

Bureau To Plan For Convention

Plans for the state Farm Bureau convention to be held in Amarillo beginning Nov. 14 will concern the Randall County Board of Directors at its Thursday night meeting in the Farm Bureau Building. Meeting time is 7:30.

President Joe Turpin said the directors will name delegates to the convention and discuss arrangements. The state's Northern District is hosting the state meet.

WT Harriers Finish Last In MVC Meet

The West Texas State harriers finished last in the Missouri Valley Conference cross country meet held in Denton, Saturday.

Wichita State captured the crown with 28 points, Drake was second with 40 points, Memphis State, third, 107; North Texas State, fourth, 109; Bradley, fifth, 125; New Mexico State, sixth, 149 and West Texas, sixth 176.

Leon Garcia of New Mexico State won the four-mile run with a 19:27.4 clocking. Jim Hogan placed highest for the West Texas runners. He finished 16th with a 20:39.

Other WTSU runners were: Harvey Hudspeth, 37th; Larry Brock, 40th; Rusty Barrett, 41st; Stan Scott, 42th; Renard Franklin, 43rd; and Steve Crisp, 45th.

In the same meet last year, Hogan, who was a sophomore, placed 10th, but this year could manage only 16th.

West Texas State University will accept sealed bids for the house in which the President presently lives, located on the southeast corner of the campus. The house is to be moved and the site cleared at the convenience of the University, but no later than June 1, 1972.

Bona fide bidders, by previous arrangement with the Business Office of West Texas State University, may inspect the house on Tuesday, November 16, between the hours of 10:00 a.m. and 4:00 p.m.

A good faith deposit in the amount of 10% of the total bid shall be submitted with each bid.

The University reserves the right to reject any or all bids.

Bids must be in the office of the Vice President for Financial Affairs by 2:00 p.m., November 23, 1972, sealed and marked plainly, "Bid on House". 3TC32

Two Donate Animals

Gailen Horn of Canyon and Raymond Hinders of Happy furnished animals for performance testing to the Texas Tech University Center at Amarillo for the 20th annual field day and sale next spring.

The two men were part of 17 such cooperators who gave animals for sire evaluation and beef cattle improvement testing.

Littlest Miss Canyon contestants for Saturday night's pageant are (l. to r.) Marci Halencak, Buffy Lewis, Karla Hill, Andrea Chenault, Leslie Wilkinson, Kara Page Pruett (front row), Misty Shawn Vars, and Lea Ann Gibson (back row). Not shown are Angela Kay Hollis, D'Layne Peeples, Emily Baker, and Melissa Baker.

Dr. Smith Promoted

Dr. Lowell Smith, the son of Mr. and Mrs. O. A. Smith, 2420 11th Ave., has been promoted to captain in the United States Public Health Service.

Dr. Smith is stationed at the National Institute of Health in Bethesda, Md. He is in charge of the Preventive Dentistry Program and heads an oral cancer study being conducted in Ahmadabad, India.

Mrs. Smith is the former Miss Gloria Franklin, the daughter of Mr. and Mrs. Roy Franklin, 605 Fifth Ave.

The Smiths live in Wheaton, Md. They have five children.

Suspensions Lifted For Five

The suspensions on five athletes at West Texas State University were lifted Tuesday by Athletic Director Gene Mayfield.

Athletes, four football players and one basketball player, were placed on temporary suspension last week pending an investigation for violation of training regulations.

The football players were halfback Mark Semkew, guard Ronnie Bassett, fullback Rusty Tucker, and defensive back Robert Meeks. Cleotis Reece was the basketball player.

Athletes joined their respective squads Tuesday afternoon.

Motorcycle Licenses Increase In County

Canyon's motorcycle enthusiasts are coming out of hiding, at least it appears so at the Texas Highway Department license bureau in the Randall County courthouse.

According to Jim Ward, driver license examiner, the number of motorcycle licenses issued in the past 12 months has doubled over the previous year.

And he says the majority of those seeking licenses range in age from 18 years to 30 years.

There seems to be a keen interest among youngsters 15 and 16 years old, but the older folks use the bikes for trail riding.

"They like to ride in the Canadian River bottoms, up and down the hills at Palo Duro Canyon State Park, and up into the mountains in New Mexico and Colorado," Ward explained.

The tests to obtain a motorcycle license are not difficult, according to the examiner. In fact, he believes if a person reads the handbook supplement on cycles and has a little knowledge about the bikes, they can pass the written and the two practical tests.

The written test is given in the courthouse from 8-5 Monday through Friday.

The driving test consists of an on-street test that is given along the regular car route, and an off-street test, consisting of quick stops, manuvering, and knowing the controls on the cycle.

Ward is in Canyon every Tuesday and the second and fourth Thursday of each month to give the practical tests. Mrs. Monita Benham, who mans the office daily, can give the written tests any day.

Ensemble Concert Is Sunday

Ensemble pieces from baroque to contemporary will be performed in concert by the West Texas State University Horn Club at 8 p.m. Sunday.

The club, organized three years ago for the purpose of advancing the art of horn playing in the Texas Panhandle-Plains, is composed of about 20 musicians.

Founded by Emerson Haraden, assistant professor of music, the club was patterned after the Los Angeles Horn Club, of which he was a member prior to coming to WTSU.

Included on the program, scheduled for the WTSU School of Fine Arts building auditorium, will be several compositions originally written and arranged for the Los Angeles Horn Club and for the Hornists Nest, a similar ensemble in Buffalo, N.Y.

Buffs Eye Colorado State Rams

The West Texas State Buffaloes will face a winless, but potentially dangerous Colorado State team Saturday in Fort Collins.

Despite their 0-8 season standard, the Rams have lost several close games to strong opponents. They fell by only five points to Air Force and then were edged 18-17 by a powerful Utah State club.

On the other hand they dropped a 34-14 decision to Wichita State last week, a team that the Buffaloes trounced two weeks ago.

Injuries will riddle the WT lineup this week. Defensive end Walter Hibbler will be slowed by an ankle injury and Thomas Tate will not be at full speed due to a reinjured knee. End Daryl Carr has a jammed neck, but will see some action Saturday.

Two players, Purcy Walker and Bruce Whisenhunt will be lost to the Buffs for the season. Walker injured a knee on a kickoff at Las Cruces and is now in a cast, while Whisenhunt reinjured his shoulder.

Lawrence McCutcheon, who tips the scales at 205 and calls Plainview home, will be the big gun for the Ram offense. He has rushed for 699 yards on 78 carries this season.

But, running is not his only talent as he has made 18 receptions for 184 yards this year.

He holds an all-time CSU record for pass receptions and has gained 825 yards on those aerials. He has also had 2,054 career rushing yards, which is just 79 shy of a Colorado State mark and 145 short of a Western Athletic Conference record.

Buff kicking specialist Matias Garza proved to be one of the bright spots for the Buffaloes last Saturday. A last minute roster shuffle, put Garza in the running back starting slot. He carried the ball 63 yards on 17 attempts and tacked on 71 more steps on three punt returns and one kickoff return.

For his efforts he was named the outstanding offensive Buffalo of the week, by head coach Gene Mayfield.

Speaking of last week's game Mayfield said, "Our defense just didn't come through, while our offense wasn't all that bad."

The defense, which had been ranked 15th in the nation prior to last week's game, allowed twice as many yards to be gained on them as they have been averaging in their first seven games.

Head Ram coach Jerry Wampler said that he felt his defense was improving with each week but he went on to say that each Monday morning he recaps the previous and it sounds just like a broken record.

Injuries and illness have plagued the Rams all year. The team has lost seven linebackers thus far. Each week the Rams have three to five boys to injuries.

This will be the third consecutive road trip for the Buffs, who now sport a 2-6 record.

Game time is 1 p.m. M.S.T.

Mitch Jones Heads Board

W. Mitchell Jones was elected president of the Dreamland Cemetery Association at a meeting Tuesday night.

Vice presidents are Mrs. Hosea Foster and Clarence Eugene Thompson, and secretary is Gene McGlasson.

Levi Cole will serve as treasurer, and board members include Mrs. Alfred Bellah, Bernard Warren, Joe Gidden, E. E. Plank, Roy Whittenburg, Tom Black, Troy Martin, Dr. Leta Boswell, Mrs. Grace Knighton, Glenn Dowlen, Mrs. Dorothy Neblett, Mrs. Dorothy Smith, Mrs. Tommie Pierce, Mrs. Grace Warwick, Mrs. Ermyle Cooper, Mrs. Shirley White, and George L. Blackwell.

Honorary board members are Dr. J. A. Hill and Mrs. Ed Harrell.

Other business Tuesday included presentation of the financial and operating statements by Manager Jerry LaGrone. The board approved both statements.

Jack Little of the Amarillo First National Bank trust department gave a report of the trust fund, which contains in excess of $50,000.

Board members discussed new paving of the cemetery streets, but no action was taken.

Bill Hillen Is President Of Kiwanis

Bill Hillen, assistant professor of business at West Texas State University and retired Air Force Lieutenant Colonel, has been named the 1972 president of the Canyon Kiwanis Club.

New officers were installed recently at the 13th annual installation banquet held in the Canyon Community Center. Curtis Crawford, lt. governor of division 6 of the Texas-Oklahoma district of Kiwanis International, installed the new officers.

Other new officers are Phil Langen, vice-president, George Ritter, secretary, and Stuart Lawrance, treasurer.

Members of the new board of directors are Jim Brown, James Davis, Claiborn Crain, Col. J. Hanks, Mike Morris, Vaughn Nelson, Charles Smith, David West and Dr. Charles Wright.

Hatcher Brown served as master of ceremonies and Hillen presided over the meeting. Ritter presented perfect attendence awards to Dr. Burwell Southern for 18 years and to George Blackwell, Durward Brown and Hatcher Brown, each for 13 years. Eleven other perfect attendence awards were presented.

Durward Brown was named outstanding Canyon Kiwanian of 1970-1971 and Dr. Bob West was presented a plaque in appreciation of his past year's service as president.

Wives of Kiwanis members also attended the banquet as well as members of five other area Kiwanis Clubs.

Clarinet Recital Scheduled Monday

Billie Rae Proctor Jr., West Texas State University senior music student from Midland, will be featured in a clarinet recital at 4 p.m. Monday in the Fine Arts Theater on campus.

Proctor has been concertmaster for the university band since 1970 and principal clarinetist in the orchestra for two years. He is a student of Rowie Durden, assistant professor of music.

Proctor, treasurer of Phi Mu Alpha Sinfonia professional music fraternity, has been a member of the WTSU marching and symphonic bands since 1967.

His recital, which is free to the public, is presented as a requirement for a bachelor's degree in music education. He is the son of Mr. & Mrs. Billie R. Proctor of 4631 Ric, Midland.

Student Staff Attends Seminar On Drug Abuse In Amarillo Pavilion

West Texas State University was represented by 79 students and a group of faculty members at a Drug Abuse Education Seminar in the Amarillo Psychiatric Pavilion Tuesday.

The students are members of the staff of the residence halls on campus.

The agenda included identification of drugs, law concerning drugs and alcohol, a discussion of physical and psychological aspects of drug abuse, a talk on methadrine research by WTSU biology professor P.A. Caraway, and an appearance by a former addict.

Authors To Be Recognized At Amarillo Dinner Saturday

Dr. Kenneth W. Waugh, Mrs. Wilma Jo Bush, and Mrs. Margaret Harper are among the writers to be honored at the Fourth Annual Book and Author Dinner sponsored by the Friends of the Amarillo Library at 7 p.m. Saturday in the Amarillo YWCA.

Mrs. Harper is to receive special mention for authoring the script of "They Came From Spain" which premiered in the Palo Duro Amphitheatre this fall. The outdoor drama is the story of Coronado's trip of exploration through the Southwest.

Dr. Waugh, who is director of the Testing and Counseling Center at West Texas State University, wrote "Diagnosing Learning Disorders" in collaboration with Mrs. Bush, now of Lubbock and formerly a member of the WTSU School of Teacher Education faculty. The book was released in the spring by the Charles Merrill Publishing Co.

The three are among residents or former residents of 25 counties in the Texas Panhandle who are being honored by the library organization for work published during the past year.

Mrs. Harper's special award will be presented by Miss Loula Grace Erdman, writer-in-residence at WTSU.

October Tax Intake Good

County tax collections for the past month have been good, according to John Guthrie, chief deputy tax assessor collector, but no percentage figures are available.

Guthrie said that the October report on the collections would not be available until December.

The full amount of county taxes will be due in January and thereafter will be considered deliquent and a penalty and interest will be assessed, he said.

Miss Terry Sue West

Nuptials Planned For January 1

Mr. and Mrs. B.E. West 2507 12th Ave., have announced the engagement and approaching marriage of their daughter, Terry Sue, to Ric Wester.

The ceremony is to take place in Joseph Hill Memorial Chapel at West Texas State University on Jan. 1 with families of both in attendance.

Wester is the son of Mrs. Winnie Wester of Canyon.

The prospective bride and groom are both graduates of Canyon High School and are attending WTSU.

Miss Jo Jan Seitz

Wedding Arranged For Jo Jan Seitz

Miss Jo Jan Seitz and Darwin Nunley are to be married Jan. 8 in Joseph Hill Chapel on the West Texas State University campus according to an announcement made by the parents of the bride-to-be, Mr. and Mrs. Elbert L. Seitz, 1301 Fifth Ave.

The prospective bridegroom is the son of Mr. and Mrs. E.W. Nunley of Kermit.

Miss Seitz was graduated from Stinnett High School and is to be a December graduate of WTSU. She is a member of the National Business Education Association and the Texas Business Education Association.

Nunley was graduated from Kermit High School. He is a senior at WTSU and a member of Alpha Chi Honor Society and Alpha Kappa Psi.

Son Is Born To McNeills

Mr. and Mrs. John McNeill, 504 11th Ave., have announced the birth of a son, Michael Scott, on Oct. 29 at Neblett Memorial Hospital.

McNeill is acting head of the Animal Science Department at WTSU.

The little boy weighed 8 pounds 3 ounces. He has two sisters, Mary Jon, 3, and Kay Lynn, 1.

Mr. and Mrs. J. C. Hicks of Frankston are the maternal grandparents. Mr. and Mrs. Wayne McNeill of Happy are the paternal grandparents.

Miss Nicholas, Mumme United In Chapel Rites

A double-ring ceremony in Joseph A. Hill Chapel united Miss Dena Ann Nicholas and David Eddie Mumme in marriage Saturday evening.

The service was read by Rev. Balwin J. Stribling, pastor of First Presbyterian Church, before an altar flanked by candelabra filled with pink tapers and set with an arched candelabra backed by jade foliage and a floral arrangement of gladioli and carnations. Pews were marked with streamers, and aisle candles were garlanded with greenery.

The bride is the daughter of Mr. and Mrs. Dean A. Nicholas, 3304 Conner Dr.

Lt. Mumme is the son of Mr. and Mrs. David R. Mumme of Amarillo.

Mrs. Bonnie Hogle was matron of honor. Bridesmaids were Miss Marisue Brandt and Miss Janet Yeary, both of Amarillo. The attendants wore identical floor-length gowns of hot pink crepe with Empire bodices and long, full sleeves. The dresses were accented at waistline and wrist with brocaded braid of pink roses. Their bow headdresses were floor-length streamers of pink and green, and they carried votive candles encircled with pink roses and carnations.

The flower girls were Miss Brooke Ann Skillman of Stephenville, the bride's niece, and Miss Robin Devin of Amarillo.

Charles Baker of Lubbock was best man. Groomsmen were Jerry Cryer of San Antonio and Ronnie Sims of Amarillo. The ushers were Richard Oliver and Robert Devin of Amarillo and Ray Parker of Crosbyton.

The bride, given in marriage by her father, wore a floor-length gown of candlelight polyanza and Venice lace. The fitted Empire bodice was of lace overlay and had a Victorian neckline. The sheer Juliet sleeves were caught at the wrists with deep lace cuffs. The sheer, full skirt swept to back fullness cascading into a full chapel train. A bow of self fabric accented the center back waistline. The elbow-length veil of candlelight silk illusion was attached to a matching Camelot coif of Venice lace accented with seed pearls and satin ribbon. She carried a bouquet of ivory orchids and stephanotis atop a white Bible given to her by her mother. For something old, the bride wore an heirloom opal ring given to her by her grandmother.

At the reception following in the Episcopal Student Center, the bride's table was covered with an ivory paisley brocade cloth. The centerpiece was of pink roses and the three-tiered wedding cake was topped by a cake vase of fresh flowers. Miss Gail Fry and Mrs. Pat Devin served.

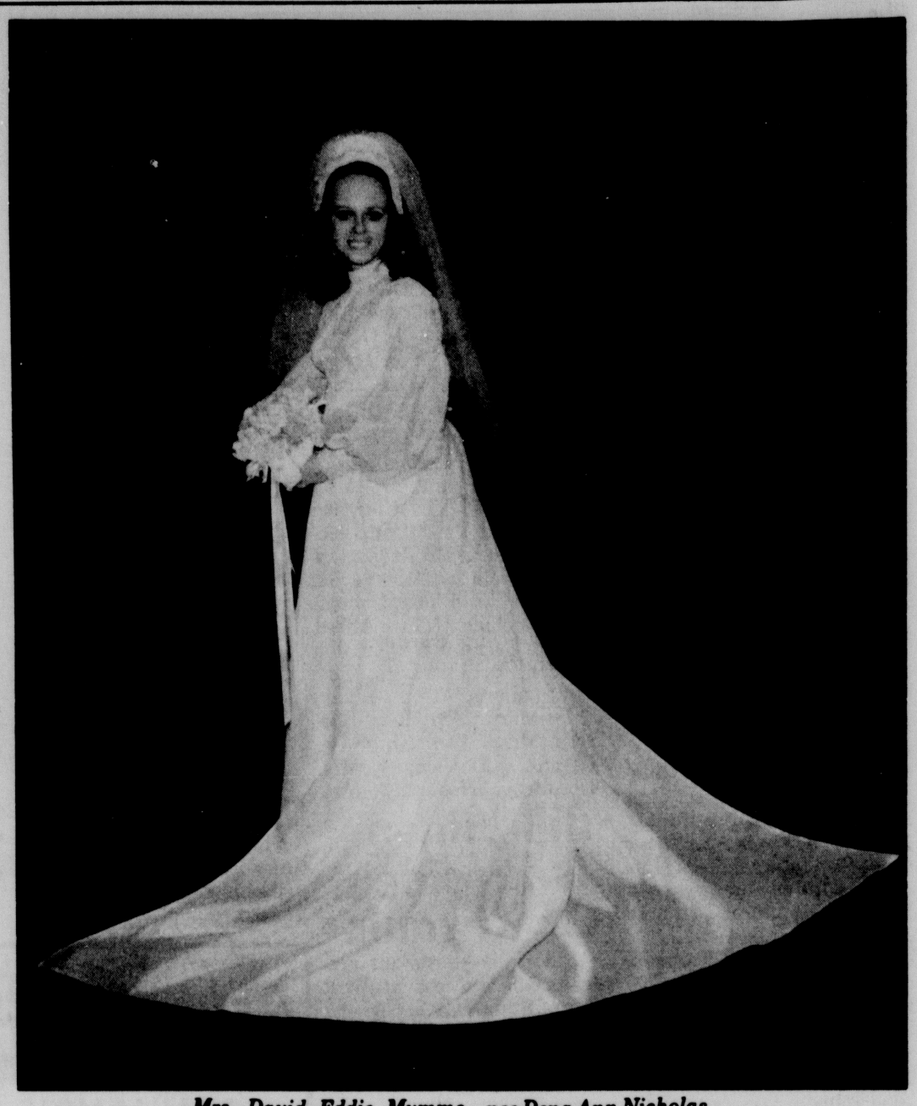
A double-tiered chocolate cake and coffee were served at the groom's table by Miss Judy Brownlow and Miss Debbie Bookout.

For travelling, the bride wore a lilac knit suit with ivory accessories and a corsage of ivory orchids.

After Dec. 1, the newlyweds will be at home at Moody Air Force Base at Valdosta, Ga., where Lt. Mumme is to be stationed.

The bride is a 1968 graduate of Canyon High School and attended West Texas State University. She is a member of Delta Zeta sorority.

Lt. Mumme is a May graduate of WTSU and also attended Texas Christian University. He is a member of Alpha Tau Omega fraternity.



Mrs. David Eddie Mumme, nee Dena Ann Nicholas

The representative also pointed out that many problems have not been answered, and that his thoughts have not definitely formed.

"I don't even know if we can solve the county line problems, but I am going to try."

"It would save money and save lots of time," Bynum reported.

He said legal problems arise often due to Amarillo being in two counties."

"You run into legal problems often with bank notes and divorces because of the county set up," Bynum said.

"But I do want a gradual transition. It is time we brought some modern day thinking to areas that need it, and I think this two-county problem does need to be examined."

The Airstream Trailer Club, made up of retired people from all over the country, make plans every year to attend the festival. Also people attend from Lubbock, Plainview and Eastern New Mexico, Wieck said.

Jack Brandt is festival chairman this year and he is assisted by Carl Hartman. Others working on the festival are Leonard Batenhorst, festival publicity chairman; Leroy Artho, sausage chairman; Mrs. Leonard Batenhorst and Mrs. R. E. Friemel, chairman of the sauerkraut committee; and head cooks are Mrs. Richard D. Friemel, Mrs. A.R. Friemel, Mrs. Marion Hicks and Mrs. Robert Koch.

Band Collects $9500 For Vienna

Canyon Eagle Band has collected around $9500 for the 1972 Vienna, Austria trip, according to band director J. W. King.

King said a total of $50,000 is needed for the 70-piece band to make the three week trip to attend the international music festival.

Sponsored by the Westbrook Educational Foundation in Connecticut, the trip will include two weeks of touring central European areas, and one week at the music festival competing against some 100 other bands.

King said around 50 bands are scheduled to attend from the United States, and another 50 bands from other parts of the world.

The Canyon band will compete in Vienna for the Outstanding Band Award for the entire festival.

Areas to be judged will be marching, concert, sight-reading, parade and mass band.

During the two weeks of touring, the band would also perform in concert appearances, King pointed out.

He noted each band student is being requested to earn $425 for the trip and the Band Parents are responsible for around $250-$300 per student.

"The total trip should cost around $725 per student," King said.

He stressed the student's payment would be used for land costs, such as housing, transportation and meals. The Band Parents money will be used for the trip to and from Europe.

If the trip is not made, or if a student finds he cannot make the trip, the money he has contributed will be refunded.

The band sent the foundation $50 per student this week, which will be totally refunded if notice is given by March 1 that the band will not attend.

The three week trip will be held July 1-21 of next year.

A financial report breakdown shows the Rent-A-Kid project has brought in a total of $5,470.12 as of the mid-October. The Haunted House during the Halloween weekend netted $750, and the benefit breakfast held in Plainview in late October totalled $234.

Projects which have not been completed are the band calendar, decals, band records, coffee mugs, and the stadium cleaning.

King said the band cleans the Frank Kimbrough Memorial Stadium six times during the fall for $125 per time.

Randall County 4-H Club Meets

Plans for a Christmas party were discussed Tuesday at a meeting of the Randall County 4-H Club.

Glenda Hollenstein reported on the County 4-H Awards Banquet. Larry Hales led the pledge and motto and Mike Grabber gave the devotional.

Members present were Connie Brazzil, Cynthia Brashears, Joelyn Penny, Johnny Crowley, Jim Grabber, Linda Millie, Willie and Debbie Hales, Del Ray James, David Dewess, Betina and Kent Anderson, Eddy Saver, and Susan Bagwell, a new member.

Horton was arraigned on six counts of theft by false pretext on Aug. 10 and is now being held in the Randall County jail.

The charges were filed against Horton in Randall County because Horton's signature on the stock transfers were guaranteed by the Western National Bank in South Amarillo. Horton used the power of attorney papers on which Robert L. Roberts signature had allegedly been forged. Roberts also had the power of attorney for Miss Forsythe.

Both Roberts and Miss Forsythe have been missing since Aug. 1970.

"The weakest part of the game is probably their passing attack," Mills added, "But they are a well coached ball club. They don't run much but what they do run they run well."

Mills praised senior quarterback Chuck Wright's performance last week against Perryton saying, "Chuck really played well. He never got excited, even when we were behind. Mills also praised the efforts of James Johnson, Mike Shadix and Cliff Prichard.

"I was very pleased with the performance of our offense, when they had the ball. We just didn't have the ball as much as we usually do. The defense had some very poor technique," Mills said.

Game time is 7:30 p.m. at Frank Kimbrough Stadium in Canyon.

The Canyon Study Club would like to express appreciation to the following organizations for sponsoring booths at the Halloween Carnival:

WHAT IS HISTOPLASMOSIS?

It is a fungus infection of the lungs contracted by breathing contaminated dust. It is more likely to be found in rural areas than in urban, since this fungus affects animals also. It tends to be a comparatively mild, but chronic, sickness. Most cases offer no serious problem.

Its danger is that it can be confused with tuberculosis and some people having it are afraid to go to a physician fearing a tuberculosis diagnosis. Never have any fear when visiting a physician. The least he can do is to help you live longer and more comfortably.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Umbarger News

BY SUSAN DOLLE

This coming Sunday all of our good friends will be returning to Umbarger to attend the annual German Sausage Festival. The public relations committee works hard to advertise the event but by now, it is tradition bound; people know that the first of November marks the time for the festival as regularly as Halloween and Thanksgiving. German sausage, sauerkraut, home made bread and all the trimmings are promised to the people who brave the long line and the temperamental weather. The country store, bazaar, fish pond and raffle are also offered.

The workers inside enjoy the day as much as the visitors. This writer has worked with the teenagers in the dining room and finds the young people helpful and fun to be with. Another young group will help this year; the "Young Country Sounds" from Canyon will provide the music for the evening dance from 8:30 to 12:00.

Some groups who have made the festival an annual outing are the Air Stream Camping Club from Lubbock and the children from St. Ann's Home in Panhandle. The campers travel en masse; they park their trailers north of the hall, raise the American flag and join the line. The children are sponsored by Harold Dillehay of the Farmer's Elevator, a praiseworthy gesture.

Serving time will be from 11:00 a.m. - 4:00 p.m. Price is $2.00 for adults, $1.00 for children under 12, and no fee for children under six. Sunday will be a day to remember don't let it happen without you!

Vincent Meyer, Jr. lugged a deer home this week, or at least felt as if he walked all the way. He shot the 150-pound animal high in the mountains near Cowls, New Mexico and then carried it seven hours to get back to the campsite. Spencer and Paul Blake of Canyon accompanied him, but were not as lucky. Vincent should really enjoy that deer meat this winter.

Mr. and Mrs. Bill Bauer entertained her sister and brother-in-law Mr. and Mrs. Leo Frerich of Bracketville, Texas this week. They observed the sugar beet harvest and carried a high souvenir beet home.

Congratulations to Ed Wieck who was re-elected as chairman of the board for the Palo Duro Soil and Water Conservation District. Ed serves on many worthwhile activities; his secretary Armella has a hard time keeping up with all the meeting times and places. If this area is a good place to live, it is because Ed has helped make it a good one.

Visiting in the home of Mrs. Emma Brandt is her sister, Mrs. Helen Gress of Nebraska City, Nebr. Mrs. Gress will be here for about 10 days.

Canyon Girl Eagles Win One, Lose One This Week

With less than five seconds remaining in the game the Canyon girl Eagles were leading the Hale Center girl cagers 33-32.

The Hale Center team had the ball out of bounds on Canyon's end of the court, they threw the ball all the way down the court and a Hale Center forward grabbed the ball and made a desperation shot. The ball swished through the net, just as time ran out and Canyon lost 34-33.

"Last weekend in Plainview I felt that the girls did real good offensively and real good defensively, but I think the opposite was true tonight. They just weren't mentally prepared," said head coach Bob Schneider.

While at the Plainview Clinic last weekend the Canyon girl Eagles whipped Friona 61-51. "In that game we were behind nine points going into the fourth quarter. We came from behind and won by 10 points. But in that game we shot 44 per cent from the floor and 68 per cent from the foul line, tonight we shot 29 per cent and 78 per cent from the foul line. That is a good average from the foul line, but not so good from the floor," Schneider lamented.

"I think that it just shows that we weren't mentally ready to play."

Marilyn Read was the top scorer for the Eagles in the Plainview Clinic with 34 points, while Lynette Slack was the top scorer Tuesday night with 11 points.

Maize Harvest Near Completion

Grain sorghum harvest in Randall County should be completed in approximately ten days if weather conditions hold favorable, according to John Brazzil, county agent.

Harvest resumed at the end of last week and the momentum is picking up every day, according to Brazzil. The soil is now firm enough to hold the harvesting machinery and even though the moisture content of grain is still high, it is drying out considerably, he said.

"The crops we are bringing in have a good yield and we are going to have a bigger total crop in grain sorgham than in the past several years," Brazzil said. The County has an increase in grain sorgham acreage this year and also better yields in dry land this year.

"The price for grain sorghum is below what we have have had in in recent years," Brazzil said. The grain sorghum crop on a national level has increased 20 to 30 per cent this year and the corn crop is the largest on record nationally, Brazil said, which accounts for the lower price.

"Even though the price has decreased, with the extra supply, we hope to maintain an average income," he said.

Brazzil also said that the wheat pasture is excellent and will accommodate many more thousands of cattle than are now grazing. "As the crops are harvested, more cattle will be coming in," he said.

The expense and scarcity of cattle is also another reason for the decreased amount of cattle in the area, he said. "We are interested in small cattle to graze wheat and they must be trucked in which adds to the expense," Brazzil said.

Bridges Denied Rehearing Motion

The Texas Court of Criminal Appeals has denied a second motion for rehearing for Richard Dean Bridges, 24, on a conviction of selling LSD in Potter County in March 1970.

Bridges was also convicted in both Randall and Potter counties and the lower court decisions were upheld in May of 1971. He filed a motion for rehearing in both cases which was denied in July of 1971.

The court handed down a written opinion when denying a motion for rehearing in the Potter County case which entitled Bridges to the second motion for rehearing denied Tuesday.

Bridges will now be taken to Huntsville where he will will begin serving consecutive terms of 12 years in the Randall County conviction and eight years in the Potter County conviction.

Judge Don M. Dean of the 181st District Court presided at both trials.

Chapel Group To Sing Sunday

A gospel singing concert will be presented at 7 p.m. Sunday by the Faith Chapel Singers at Faith Chapel.

Dale Ditto will lead the choir in the hour-long singing of hymns and gospel songs, and quartets and trios will also perform.

The singing group has appeared on tour in Texas, Oklahoma, Kansas, Missouri, New Mexico, and Arkansas.

Little Miss Canyon Pageant Set Saturday

Entries in the Little Miss Canyon Pageant totalled 54 Monday, according to Mrs. Robert Brotherton, reporter for Xi Kappa Zeta Chaper of Beta Sigma Phi, the sponsoring group.

The Pageant will be held at 7:30 p.m. Saturday in the auditorium of Canyon Junior High School, with County Judge Woody Pond acting as master of ceremonies.

Judges for the pageant, are to be Lloyd Senn and Wayne Hughes of the KGNC news staff, Margaret Logan of Maverick Club, and Jack Cromartie, assistant executive director of Amarillo's United Way.

Proceeds from the pageant are to be used in purchasing two rooms of furniture for the Canyon Girl Scout House. The furniture was delivered to the Scout House on Wednesday morning.

Admission for adults will be $1. Children's tickets are 50 cents each.

Entries in the pageant's 3 to 5 age group are Marci Halencak, Buffy Lewis, Karla Lynn Hill, Andrea Chenault, Leslie Wilkinson, Kara Page Pruett, Misty Shawn Vars, Lea Ann Gibson, Angela Kay Hollis, D'Layne Peeples, Emily Baker, and Melissa Baker.

In the 6 to 9-year-olds are Susan Blake, April McRoberts, Teri Bradley, Gena Root, April Scott, Noelle Plank, Angela Landram, Kemi Hill, Mayla Vars, Tracy Lewis, Jackie Stevens, Donna Grimes, MarKaye Henderson, and Debra Downing.

The roster of 9 to 12-year-olds includes Desiree Plank, Melanie Brooks, Becky Irlbeck, Kimberly Wilkinson, Rexann Griffin, Janie Irlbeck, Jamie Perry, Marla Kay Martin, Gloria Stevens, Beth Wanamaker, Cyndy Hair, Laure Carlile, Nikki Jones, Kelley West, Becky Russell, Jackie Skarke, Judy Acker, Kelly Irlbeck, Janice Dillehay, Rene' West, Nicki Knowles, Ann Bowes, Kim Landram, Terri Daughan, Tawny Henderson, Deena Fletcher, Janice Grimes, and Isabel Hernandez.

Cogburn, Bailey Capture Tourney

Hack Cogburn and Ken Bailey both of Amarillo captured the two-day Canyon Country Club Partnership tourney Sunday in the first hole of a sudden death playoff.

The duo were tied at 131 with John Zett and Danny Neese after regulation play.

Porter Vaughn and Gene Read won the first flight with a two-day total of 141. Bill Turner and Jim Farmer fired a 76 Saturday and then matched that score Sunday to take first place in the second flight.

"We had three flights, made up of 28 teams, which is a pretty good showing for this time of the year. The winning score was also pretty good considering the bad weather we had Sunday," said Country Club pro Bobby Westfall.

"We plan to make the tournament an annual affair, but we plan it for earlier in the year next year," Westfall added.

Few Tickets Available For Fiddler

A sell-out crowd is expected Friday, Saturday and Nov. 19 for the West Texas State Opera Workshop production of "Fiddler on the Roof."

A spokesman at the Branding Iron Theatre box office said that a few tickets were still available for the performance tonight, Wednesday and Thursday.

The inter-departmental production of the School of Fine Arts opened Wednesday in the WTSU Branding Iron Theatre. Tickets are $3 for adults and $2 for children and non-WTSU students. WTSU student tickets, free with the presentation of an ID card, are available at the theatre box office.

Royal Brantley, associate professor of music at WTSU for 18 years and musical director for the production, is playing the leading role of Tevye.

Other leading cast members are Vicki McCormick, Dumas senior, as Golde; Genie Knighton, Longview junior; Vicki McFarlin, Fritch junior; Linda McNeil, Amarillo senior; Barbara Huckert, Summerfield sophomore; and Susan Dollar, Dumas freshman.

Also cast are Stephen Hilton, Canyon junior; Rene Clemente, El Paso junior; Margaret Hathaway, Canyon senior; Janice Perkins, Canyon senior; Dennis Richardson, Lubbock junior and Travis Dean, Amarillo freshman.

Chorus soloists are Sheila O'Keefe, Amarillo freshman and Linda Pinkerton, Coppel sophomore.

Stage direction is by William A. Moore of the speech department. His wife, Margaret Echols Moore is assisting acting coach. Neil Hess, Amarillo dance instructor, is choreographer. James Kemmerling, instructor in speech, is technical director, and Jerry Doan, instructor in music is Assistant musical director.

Ticket orders may be addressed to Fiddler on the Roof, Box 275, W. T. Station, Canyon, Texas, 79015.

Dear Mr. Childress:

In reply to your letter of 15 October 1971, the following National Cemeteries are located in the States indicated:

State	National Cemetery	Status	Agency
Louisiana	Baton Rouge Natl Cemetery	Closed	Dept. of Army
	Port Hudson Natl Cemetery Zachary, La.	Open	Dept. of Army
	Alexandria Natl Cemetery Pineville, La.	Open	Dept. of Army
	Chalmette, New Orleans,	Closed	Dept. of Interior
Texas	Ft. Sam Houston Natl Cem San Antonio, Texas	Open	Dept. of Army
	San Antonio Natl Cemetery	Closed	Dept. of Army

In Texas, there is also the Ft. Bliss National Cemetery which is under the jurisdiction of the Chief, National Cemetery Supervising Office, Sharpe Army Depot, Lathrop, California. The Veterans Administration also has a cemetery in Houston, Texas. The status of those cemeteries would have to be obtained from those agencies.

The administrations present policy is for non-expansion of the system.

Sincerely,

DAVID N. SISSON

VETERANS FIELD OF HONOR
SPONSORED BY
MEMORY GARDENS OF AMARILLO

Box 7486
Canyon Highway
Amarillo, Texas 79109

Dear Mr. and Mrs. Veteran and family:

Some of the Veterans receiving a free space have asked why we are doing this. The reasons are many.

Because of the lack of burial space for Veterans in National Cemeteries and because of unsuccessful attempts to enlarge them, we are assigning space to qualified Veterans as a public service and civic gesture.

As a memorial park we are interested in building a heritage of lot owners. We know that if a Veteran owns here his immediate family and friends will be more apt to purchase in our non-veteran sections.

So, for this reason we are assigning a free space to any honorably discharged Veteran who otherwise qualifies for burial in our Park. He may, if he wishes, reserve space for his immediate family at this time.

We do wish to make it clear, however, that we are not governmentally subsidized nor is it necessary for the Veteran to purchase property to receive his free space.

Please fill in all information and mail at once.
